

CROSS-SERVICING IMPLEMENTATION GUIDE

**FINANCIAL MANAGEMENT SERVICE
Debt Management Services
Cross Servicing Division
Revised December 2004**

Introduction

Purpose:

The purpose of this document is to provide guidance to agencies on the Financial Management Service, Debt Management Services (DMS) cross-servicing requirements. It will assist agencies in implementing the cross-servicing requirement that all debts over 180 days delinquent be transferred to the Department of the Treasury, in accordance with the requirements of the Debt Collection Improvement Act of 1996 (DCIA). It contains general information on the DCIA itself, how DMS collects agency debts, as well as what an agency needs to do to submit its debts for cross-servicing and the reporting that DMS provides to let the agency know the status of its referred accounts. The various forms in this document are available upon request via WordPerfect and Microsoft Word. Forms are also available at our website at <http://www.fms.treas.gov/debt/crossserv.html#CrossServicingForms>. The same form/format may be provided in more than one section of this guide; this is to minimize the need to flip back and forth between various sections and to ensure that each section is comprehensive.

This document will change and evolve as formats, requirements, and operations change over the course of time.

Step 1

Statutory Requirements

The Requirements for Cross-Servicing Under the Debt Collection Improvement Act of 1996

- The President signed the Debt Collection Improvement Act of 1996 into law on April 26, 1996. It became effective immediately.
- The DCIA requires agencies to transfer a debt or claim that has been delinquent 180 days or more to Treasury for collection, with the following exemptions:
 - ◆ The debt is in litigation, meaning that the debt has been referred to the Department of Justice, a complaint has been filed, or a notice of default has been issued.
 - ◆ The debt will be disposed of in an asset sales program within 1 year after becoming eligible for sale, or later than 1 year if consistent with an OMB/Treasury approved asset sales program.
 - ◆ The debt is at a private collection agency for a period of time established by Treasury.
 - ◆ The debt has been referred to a Federal debt collection center designated by Treasury. (Policies, procedures, and standards for becoming a debt collection center are available on the FMS Internet home page).
 - ◆ The debt will be collected by internal offset within 3 years of delinquency.

A specific class of debt may be exempted upon application to the Secretary of the Treasury. No such exemptions have been approved to date. Once a debt comes out of an excluded status, the debt will be transferred to Treasury within 30 days.

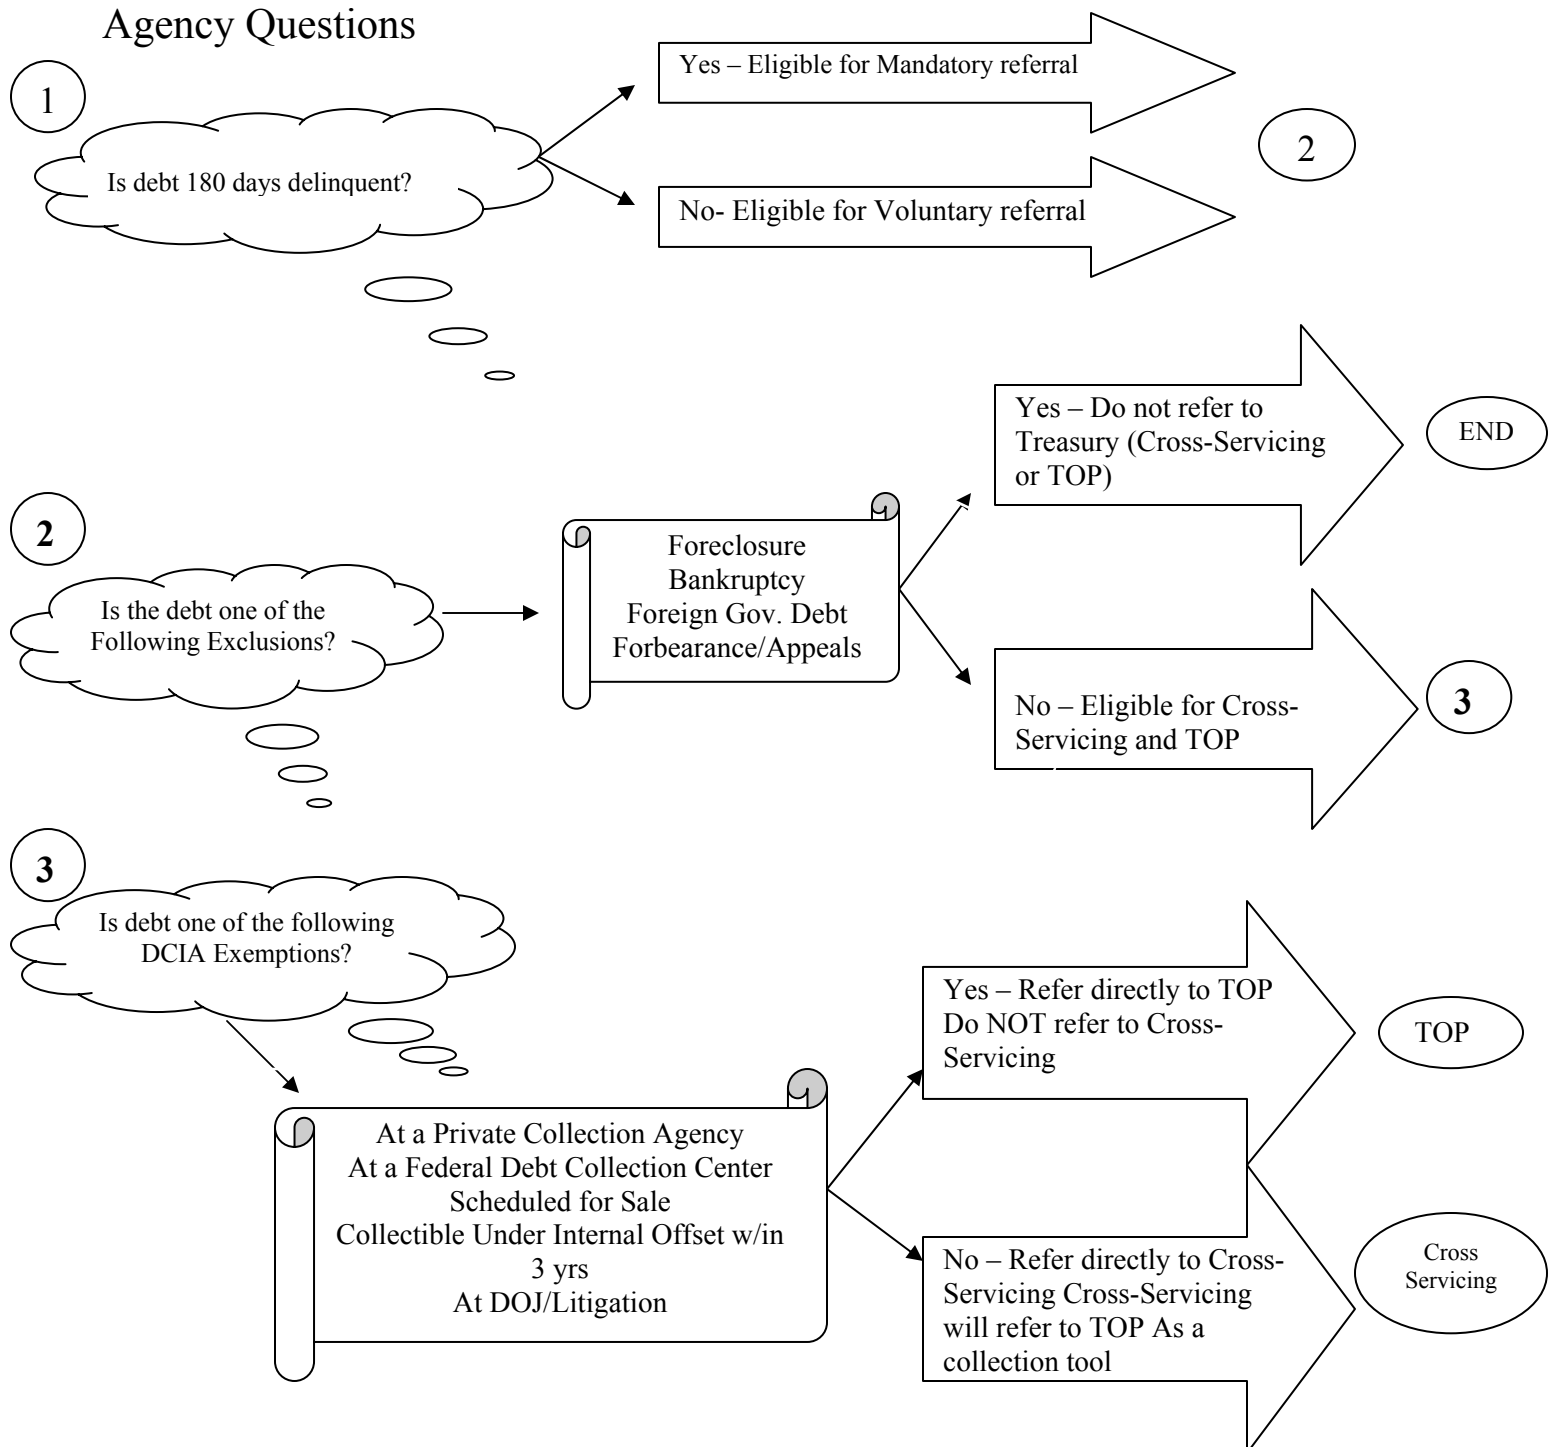

The Requirements for Cross-Servicing Under the Debt Collection Improvement Act of 1996

- Transfer has been defined to mean “mandatory” referral. It does not change the status of the debt as a receivable on the referring agency’s books.
- The following are debts excluded from referral to cross-servicing:
 - That are in bankruptcy, since collection of such debts must be pursued through the courts;
 - Which Federal agencies or foreign governments owe, since the DCIA does not apply to these types of debts.
 - Which are in an administrative appeals process until the process is completed and the amount set.
 - Which are in foreclosure until the process is completed and the amount set.
- Further, DMS is not accepting the following debts:
 - Less than \$100 without a taxpayer identification number. (Please note that these debts are highly uncollectible and are only eligible for a Treasury letter. Agencies are encouraged to terminate collection of these debts given they have made reasonable attempts to collect. Agencies may justify termination as the cost to collect exceeds anticipated collections).
 - Of deceased debtors, since collection of these debts is doubtful at best. A proof of claim should be filed with the estate.

DMS is accepting debts owed by state and local governments.

- Referral of debt for the Treasury Offset Program does not satisfy the cross-servicing requirement. As the following graphic shows, they are two distinct requirements. As cross-servicer, DMS will put debts into offset as a collection tool; however, TOP does not refer debts for cross-servicing.

What do I do with my delinquent debt?

Step 2

The DMS collection process

The DMS Collection Process

Collection Process:

DMS has established standard processes for accepting and collecting debts. These processes are consistent with government-wide and Treasury requirements. The account referral process is detailed in steps 4 through 8 of this document.

The standard collection process is detailed below:

- ***demand letter.*** DMS will send out a standard demand letter, on Treasury letterhead within 5 days after acceptance of an account. The demand letter gives the debtor 10 days to respond.
- ***phone calls.*** DMS will begin making phone calls 10 days after the date of the demand letter, depending upon the amount of the debt.
- ***credit bureau reporting.*** This begins 60 days after a consumer debt is referred and 30 days after a commercial account. The reason for the delay is to ensure that a consumer debtor has the full 60 days from when the demand letter was mailed to make payment.
- ***offset.*** Twenty days after the date of the demand letter, the debt will be routed into the Treasury Offset Program. It may stay in the Treasury Offset Program until the time for collection by Offset expires (generally 10 years), or for a period of time specified by the creditor agency.
- ***collection agencies.*** Thirty days after the date of the demand letter, the debt will be referred to a private collection agency (PCA). A debt may be referred to two PCA's, each PCA will service the debt for a period of 270 days. Treasury has a government-wide contract in place and all referrals will be made to the Treasury contractors. The PCA's will be paid on their collections only. The PCA's are evaluated, and based on their performance may receive monetary bonus' or additional accounts.
- ***Department of Justice.*** DMS may recommend, and upon agency concurrence refer debts to the Department of Justice (DOJ). DMS will prepare the Claims Collection Litigation Report (CCLR) and monitor case progress while at DOJ. The CCLR and Instructions for Completing the CCLR are available at: <http://www.fms.treas.gov/debt/crosserv.html#CrossServicingForms>.

Until a debt is referred to a private collection agency, DMS is actively pursuing collection, including purchasing credit reports, skip tracing, and negotiating compromise or repayment plans. Compromise and repayment plans will be negotiated within the parameters set by the agency in the Agency Profile Form (APF) (see Step 5).

The DMS Collection Process

Once a debt is returned from a PCA, and all collection efforts are completed, DMS may:

- Recommend referral to the Department of Justice,
- Recommend that the debt be written off;
- Prepare IRS Form 1099-C on behalf of the creditor agency if so instructed in the agency profile;
- Leave the debt in TOP for passive collection.

An agency may recall a debt or adjust a debt amount at any time. However, the agency will owe the DMS fee on collections received on recalled debts after the Treasury demand letter has been sent. An agency should send recalls, with a reason for the recall, as well as adjustments, to the Cross Servicing Relations Branch.

Further information on what DMS does to collect a debt is contained in the Letter of Agreement (Step 4)

Fees:

DMS adds a fee of 18% of the total amount of the debt at the time a debt is referred. This fee drops to 3% when the debt is referred to a private collection agency, Treasury Offset Program, or the Department of Justice; however, the applicable fee for each of the above programs will then apply (please contact your Agency Liaison for program fees). Fees are deducted from collections, with the agency receiving collections less fees. An agency may elect, in the Agency Profile Form (see Step 5), to have DMS not add its fee; however, this does not affect whether DMS receives its fee, only whether DMS adds its fee to the amount of the referred debt.

Step 3

Notices to debtors

Notices to Debtors

As explained in the previous section, DMS sends one demand letter to debtors, within 5 days of debt receipt. DMS relies on the referring agencies to provide at least one due process notice to debtors and to certify to this effect at the time debts are referred for collection (see Step 6). In addition, DMS relies on the agencies to ensure that they have covered the possibility that they will refer debts to Treasury, whether for offset or collection, in their system of records notices. Each agency should work with its Privacy Act or disclosure offices to ensure that the system of records notices are current.

Prior to referring debts to Treasury, an agency **must** inform the debtor of the amount and nature of the debt (such as overpayment, etc.), and actions which may be taken to enforce recovery of a delinquent debt. ***These include:***

- ***offset of any payments, which the debtor is due, including tax refunds, and salary.***
- ***referral of the debt to a private collection agency.***
- ***referral of the debt to the Department of Justice or agency counsel for litigation.***
- ***reporting of the debt to a credit bureau.***
- ***reporting of the debt, if discharged, to IRS as potential taxable income.***
- ***administrative wage garnishment.***

In the future, the agency will also need to inform the debtor that his/her identity may be published or publicly disseminated, and/or the debt may be sold to a third party.

The notice must tell the debtor that he/she has the:

- opportunity to inspect and copy records relating to the debt;
- opportunity for a review within the agency; and
- opportunity to enter into a written repayment agreement.

Notices to Debtors

An agency is not required to restate these rights, if already provided to the debtor, prior to sending an account for cross-servicing. However, the agency may find it effective to send a final notice to the debtor telling of the agency's intent to refer the debt to Treasury for collection unless repaid within a given period of time after the notice is sent. The agency will send such notice to the last known address. There is no requirement that the notice be sent certified mail, unless such requirement exists in the agency's own statutes or regulations. If the notice is returned due to a bad address, the agency needs to file the notice, envelope and letter, as proof that the agency attempted notice. The agency can still certify (see Step 6) that it has provided notice.

If DMS determines that additional notice is needed once a debt is referred, then it will provide such notice.

DMS Staff will work with you to ensure that you have provided your due process notices and will be happy to review any system of records notices for adequacy.

Step 4

Letter of Agreement (LOA)

The Letter of Agreement

The Letter of Agreement (LOA)

- Is a standard agreement for all agencies. Differences which FMS and the agency agree to will be detailed in an addendum to the main document. Each agency needs to review the standard agreement and contact the DMS agency liaison to discuss changes to be incorporated into the addendum and to provide agency names and points of contact for the LOA.
- Details the terms and conditions of the cross-servicing arrangement agreed to by your agency and DMS.
- Contains 3 attachments for your information:
 1. The Agency Profile Form
 2. The agency certification
 3. The electronic transmission format

A detailed discussion of each of these attachments is contained in this guide (Steps 5, 6, and 7 respectively).

- Is sent to and signed by an official with the authority to bind the organization at the department, agency, or office level as determined by your organization. Each department or agency must determine at what level the LOA will be signed.
- Is returned by the signatory agency to FMS' Office of the Assistant Commissioner or the designated DMS Cross-Servicing Liaison. The agency may include the initial Agency Profile Form (Attachment A) with the signed LOA, which will in turn, be forwarded to DMS Cross-Servicing Liaison for processing. Alternatively, the agency may wait and submit the required Profile Form and Debt Certification to their designated liaison when initiating file format testing and debt referral process.

Dear [Agency Contact Name]:

The [Agency Name]:

- authorizes FMS to take all appropriate action to enforce collection of accounts referred to FMS, in accordance with applicable statutory and regulatory requirements, and agrees to advise FMS with respect to any statutory and regulatory provisions that uniquely affect [Agency Name] debt collection activities.

 - ◆ The fee that [Agency Name] will pay to FMS shall be reduced to an amount equal to 3% of funds collected under one of the following circumstances:
 - When the funds are collected by a private sector collection agency;
 - When the funds are collected by Department of Justice (DOJ) after FMS has referred the account to DOJ, except with respect to accounts referred to DOJ for post-judgment enforcement; or
 - When an offset from the Treasury Offset Program (TOP) occurs.
 - ◆ In addition to debt collection service fees due to FMS (and regardless of the amount of the service charge), if applicable, [Agency Name] will pay all contingency fees and other charges due to private sector collection agencies, DOJ, Internal Revenue Service for tax refund offset, FMS for Treasury Offset Program (TOP) fees, or any other Federal agency for services rendered relating to debt collection.
 - ◆ FMS is entitled to its service fee for all collections received, either by FMS or the [Agency Name], after FMS initiates collection action, including the issuance of demand letters or other attempts to contact the debtor.

The Financial Management Service/Debt Management Services (FMS):

- will be solely responsible for the maintenance of the delinquent debtor records in its possession and for ensuring that accounts are updated as necessary during the time period that FMS holds the account information.

In the event that a referred debtor disputes the validity of the debt or any terms and conditions related to any debt not reduced to judgment, FMS may return the disputed debt to [Agency Name] for its determination of debt validity.
- will provide [Agency Name] with monthly status reports on all collection activities. These reports will be sufficiently detailed for [Agency Name] to update its files and reconcile its accounts.
- will provide [Agency Name] with a complete accounting of all service charges and fees, as requested by [Agency Name] and refund to [Agency Name] any fees erroneously paid to FMS. However, FMS may elect not to refund amounts less than \$10.
- understands that [Agency Name] Inspector General continues to serve as the oversight authority over [Agency Name] activities and agrees to promptly respond to all requests for information from the [Agency Name] Inspector General.

- will provide [Agency Name] with any information necessary (and in its possession) for [Agency Name] to respond to Congressional inquiries resulting from FMS's collection efforts.

TREASURY CROSS-SERVICING PROGRAM
CERTIFICATION TERMINOLOGY

For purposes of the foregoing Certification Agreement, the following describes how creditor agencies submit debts via Electronic Transmission of computer records to the Cross-Servicing Program:

1. Electronic Transmission. Any transmission from creditor agencies to the Cross-Servicing Program via CONNECT:Direct or CONNECT:Mailbox, as more particularly described in *Step 7; Data Formats and Transmissions* in the "Cross-servicing Implementation Guide", dated May 2004, as may be amended or updated ("Cross Servicing Guide"), is an Electronic Transmission.
2. Add Records. Add Records are electronic records which creditor agencies use to add new debts to Cross-Servicing.
3. Update Records. Update Records are electronic records that creditor agencies use to update, change or modify information about debts previously transmitted to Cross-Servicing by creditor agencies.

Step 5

Agency Profile Form (APF)

The Agency Profile Form

The Agency Profile Form (APF): In General

- Is required for each program referring debts to DMS for cross-serving.
- Must be completed prior to the referral of any debt so that the system will recognize an agency's/program's debts as acceptable for referral.

The Form: Section-by-Section Instructions

Agency Information

In this section, provide the name and address of the agency, which is doing the referral or whose bureau is doing the referral. This would be the name/address of a cabinet level department, such as the Department of Agriculture, or of the independent agency, if not associated with a cabinet department. The Taxpayer Identification Number (TIN)/ Employer Identification Number (EIN) is required for 1099-C issuance.

Bureau/Bureau Office Information

- | | |
|---------------------------|---|
| Bureau Name | This would be the name of the sub-agency or bureau, which is doing the referral. If there is no sub-agency, repeat the name provided above.
<i>Please note: this is the name that will be used on the demand letters to the debtors.</i> |
| Bureau Office Name | This is the name of the specific office, within the sub-agency or bureau, doing the referral. |
| Address | Provide the address of the referring organization, office, bureau or sub-agency. <i>Please note: this is the address to which all reports will be sent.</i> |
| Primary Contact | Provide the name, email address, phone, and fax number of the key point of contact within the referring organization. This will be the primary person with whom the appropriate DMS staff will make contact to resolve disputes, obtain information and provide reports. |
| Alternate Contact | Provide the name, email address, phone and fax number of an alternate contact person within the referring organization. This individual should be authorized to act on behalf of the primary contact, in his/her absence. |
| IPAC Contact | Provide the name, email address, phone, and fax number of the individual who will be receiving the IPAC transmission and supporting reports.
<i>Please note: this person is responsible for providing the IPAC supporting documentation on individual accounts to the primary contact or to the organization's accounting area.</i> |

The Agency Profile Form

Program Information

Program Name Provide the official name of the program under which the debts arose. For example, “Salaries and Expenses, General Administration” or “Construction”. *Please be sure that the name used here is the same as that used on the data entry forms.*

ALC ALC stands for agency location code. Provide the 8-digit number that represents the area within the agency to which collections should be credited.

Authorizing Statute Provide the statutory cite for the program under which the debts arose. This information will be used for the completion of the Claims Collection Litigation Report, should the agency and DMS determine that litigation is necessary.

Program Classification

Indicate the type of debt being referred under the above listed program. For example, a single family housing loan would be classified as “Housing”; a small business investment loan would be classified as “Business”, etc.

The next four items allow the agency to specify the limits on the authority it is delegating to DMS for compromises and repayments.

Compromises For Max. \$ Amt. provide the maximum amount that the agency is willing to let DMS “forgive.” For example, if, regardless of the amount of the debt, the agency decides it never wants DMS to “forgive” more than \$500,000, then this would be the amount provided on this line.

For Max. Percent. provide the maximum percent that the agency is willing to let DMS “forgive.” Note: FMS will not forgive more than the “Maximum \$ Amt,” even if the “Maximum Percent” formula results in a compromise (forgiveness) amount greater than the Maximum \$ Amount. The “Maximum \$ Amt” field takes priority over the “Maximum Percent” field in the system. Please contact your liaison for clarification.

The Agency Profile Form

Installment Agreement

For Min. \$ Amt., provide the minimum amount the agency will accept in an installment payment.

For Max. No. of Months, provide the maximum number of months that the agency will accept for a installment repayment agreement. Generally, this should be 36 months or less.

Eligibility for Various Collection Actions

Ensures compliance with the agency's collection plan. By indicating "No" for a given collection action our system will not allow this action to be taken. By indicating "Yes" for a given collection action, the system assumes all debts referred are eligible for that collection action.

If yes is selected for the filing of 1099c, the referring agency will still be able to decide if this collection action is appropriate on a case by case basis. If no is selected for the filing of 1099c, the system will block this function, and the referring agency will not have the option of deciding on a case by case basis.

NOTE: Agency designations will apply to all debts referred under the agency profile.

Fees Allows the agency to indicate whether the DMS and PCA fee should be added to the debt. The selection of "No" for the DMS fee does not affect whether DMS will charge its fee on collections; it does affect, however, whether or not that fee is passed along to the debtor.

Accruals Allows the agency to direct DMS on whether it wants to continue to accrue late fees on the referred debts. For each of these items, e.g., Financing Interest, Late Interest (e.g., under the Debt Collection Act of 1982), Administrative Costs (this represents the agency's own administrative costs), Penalty (presumed to be 6% annually as set by the Debt Collection Act of 1982), the agency should select "Yes" or "No". As the form notes, an agency cannot charge both financing and late interest, so one or the other of these interest lines should be marked "No".

Step 6

Certification

Certification

DMS is requiring agencies to certify the following for each batch of debts referred:

- that the debts are delinquent, valid, and legally enforceable;
- that the debts are not subject to any bars against collection, such as a debtor in bankruptcy or the debt is in foreclosure;
- that the agency has complied with all due process notice requirements for administrative offset, salary offset, and credit reporting; and
- that the agency has provided notice regarding assessment of interest, penalties, and administrative costs.

DMS is requiring this certification for three primary reasons:

1. to ensure that the agency is referring debts that are subject to enforced recovery mechanisms;
2. to ensure that the agency has provided all due process rights, so that DMS can proceed with collection in an aggressive and time-conscious manner. As detailed in Step 2, DMS moves accounts through the collection process very quickly, based on Treasury action standards.
3. to allow Treasury to waive certain provisions of the Computer Matching Act to facilitate operation of the offset program.

DMS has developed a standard certification form that follows in this section. The certification is also available at <http://www.fms.treas.gov/debt/crosserv.html#CrossServicingForms>. Debts that are not accompanied by an acceptable certification form will be rejected.

When a creditor agency refers debts manually, the agency must use the certification for manual referrals. When an agency refers debts electronically they may submit an annual certification using the attached certification for electronic referral. The certification is valid for a year and must be completed annually.

CERTIFICATION - DEBT COLLECTION

(Manual Referral)

With respect to the debts attached or transmitted with this certification, I certify the following:

1. ***Valid Debts.*** The debts are delinquent, valid and legally enforceable in the amounts stated.
2. ***No Bar to Collection.*** The debts are not subject to any circumstances that legally preclude or bar collection, including collection by offset. There are no foreclosures pending with respect to any collateral securing a debt. The Agency's records do not show that any debtor owing a debt has filed for bankruptcy protection. Alternatively, the Agency can clearly establish that any automatic stay has been lifted or is no longer in effect.
3. ***Administrative Offset and Tax Refund Offset.***
 - A. The Agency has complied with all of the provisions of 31 U.S.C. § 3716, 31 U.S.C. § 3720A, 31 C.F.R. § 285.2 (62 FR 34175, June 25, 1997), and the Federal Claims Collection Standards, as may be amended, as well as other statutes, regulations and policies applicable to collection by administrative offset and tax refund offset.
 - B. At least 60 days prior to the date of this certification, the Agency has provided, or made a reasonable attempt to provide in accordance with applicable offset regulations, each debtor with:
 - written notification, at the debtor's most current known address, of the nature and the amount of the debt, the intention of the Agency to collect the debt through administrative offset and tax refund offset, and an explanation of the rights of the debtor;
 - an opportunity to inspect and copy the records of the Agency with respect to the debt;
 - an opportunity for review within the Agency of the determination of the Agency with respect to the debt, including the opportunity to present evidence that all or part of the debt is not past-due or legally enforceable; and
 - an opportunity to enter into a written repayment agreement with the Agency.
 - C. The Agency has considered any evidence presented by the debtor and determined that the amount of the debt is past-due and legally enforceable and there are no pending appeals of such determination.

- D. The Agency has, at minimum, made the following reasonable efforts to obtain payment of the debt: demanded payment and provided the debtor with the notice and opportunities described in paragraph 3.B.

4. ***Due Process Compliance for Salary Offset.***

- A. [Creditor Agency] has complied with all of the provisions of 5 U.S.C. § 5514 and 5 C.F.R. §§ 550.1101-1110, as may be amended, as well as other statutes, regulations and policies applicable to collection by salary offset.
- B. [Creditor Agency] has provided, or made a reasonable attempt to provide, each debtor with the notice, opportunities, and considerations described in paragraphs 3.B. and 3.C. and the additional notices and opportunities, including the opportunity for waiver consideration, required for salary offset.

5. ***Consumer Reporting Agencies.*** The Agency has complied with all of the provisions of 31 U.S.C. § 3711(e) and 4 C.F.R. Part 102, as well as other statutes, regulations and policies applicable to the Agency's reporting of delinquent debts to consumer reporting agencies. The Agency has:

- determined that the debts are valid and overdue;
- notified the debtor, more than 60 days prior to the date of this certification: (a) that the debt is overdue, (b) that the Agency intends to disclose to a consumer reporting agency that the debtor is responsible for the debt, (c) of the specific information to be disclosed to the consumer reporting agency, and (d) of the debtor's rights to an explanation of the claim, to dispute the information in the Agency's records about the claim, and to administrative repeal or review of the claim; and
- upon the request of a debtor, provided for a review of any debtor's claim, including an opportunity for reconsideration of the initial decision on the claim.

In addition, no debtor has repaid or agreed to repay the claim under a signed repayment agreement or filed for review of the claim.

6. ***Interest and Penalties.*** The Agency has complied with all of the provisions of 31 U.S.C. § 3717 and 4 C.F.R. Part 102, as well as other statutes, regulations and policies applicable to Agency's assessment of interest, penalties and administrative costs. The Agency has mailed or hand-delivered a written notice to all debtors explaining the Agency's requirements concerning the charges.

CERTIFICATION: Pursuant to 28 U.S.C. § 1746, I certify under penalty of perjury that to the best of my knowledge and belief, and/or based upon Agency certification, that the foregoing is true and correct. Step 8

Basis for Debt Rejection

Basis for Debt Rejection

DMS cannot begin collection action on debts from a specific referring agency's program area in which it does not have an Agency Profile Form (step 5). The DMS point of contact for the agency will call the agency to get resolution.

DMS may reject a batch of referred debts for the following reasons:

- ***missing certification.*** In this case, the agency will be contacted and asked to provide the certification.
- ***missing data entry forms.*** In this case, the batch of referred debts will be returned to the agency until such time as the agency sends in proper data entry forms.
- ***excessive problems with data transmission.*** If more than 40% of the agency's debts in a given transmission do not process, for whatever reason, then the entire transmission will be rejected.

DMS may reject individual debts for the following reasons:

- ***missing mandatory data elements.***
- ***total debt referred does not equal the components (i.e., principal + interest + administrative costs + penalty)***
- ***the debtor is deceased.***
- ***the debtor is in bankruptcy.***
- ***the debtor is a Federal agency.***
- ***the debtor resides outside the U.S. or its territories.****
- ***the case/account is in foreclosure.***
- ***the case/account is in litigation.***

DMS staff may contact the agency-designated representative to obtain missing mandatory data elements or get corrected dollar amounts. If the agency contact cannot resolve the matter within a day, then the debt in question will be returned to the agency. *DMS' goal is to work with the agency to minimize rejections for any reason and will contact the agency when it believes a phone call is all that is needed to resolve an issue.*

**An agency may contact a DMS Agency Specialist for special consideration for the manual input of these debts.*

Step 9

Reporting Results

Reporting Results

- DMS transmits collections, minus fees, weekly via IPAC to the ALC provided by the agency. To coincide with the IPAC transmission, DMS faxes the “IPAC Report” which provides supporting documentation for the IPAC transmission. This report is sent to the agency-designated IPAC contact (see step 5). A copy of the IPAC Disbursement Screen and the IPAC Report follows in this section.

Questions regarding the content of the IPAC should be addressed to Allan Pinkney (202) 874-8491 of the Accounting Operations Branch.

- The standard monthly reporting package is generated at the end of each month and mailed within the first week of the following month. This package includes:

New Debt Report

Debt Financial Activity Report

A summary of the content of each of these reports and a sample copy of each report follow in this section. Other reports, such as a debt history, collection activity, and financial transaction detail reports, are available at agency request.

- For general questions or requests regarding reports, please contact the Agency Liaison identified on page 2 of the Guide.

The *Contact Validation* box will appear so the user can validate the current contact information.
